Jeff Wiewel was offered one of the vacant seats as well, but declined because of other commitments. It will be necessary to establish the differences in duties between the Executive Board and the Board of Directors. See notes on Constitution and By Laws below. ICA will be seeking two more Board Members.

WHEREAS: ICT has submitted a request that we award them the right to run the 2010 Illinois K-8 State Scholastic Championship

WHEREAS: Bill Barton has agreed to act as Bid Liaison for the ICA

BE IT RESOLVED: The ICA shall award to ICT the right to call their tournament "The 2010 Illinois K-8 State Scholastic Championship" and to confer appropriate state titles for that event subject to the conditions that ICT run it on March 13-14, 2010; that the site be the Pheasant Run Resort in St. Charles, IL; and that they communicate regularly with ICA's Bid Liaison as specified in the bid guidelines.

Maret Thorpe seconded. Motion carried the Board of Directors with one opposed.

Thanks to the efforts of Bill Brock, Bill Goichberg has offered to collect ICA membership dues during advance registration of his events. He offers to kick in \$2 per Regular and Scholastic membership and asks that we lower the price of those memberships by \$2. In other words, we would receive a total of \$13 for a Regular membership and a total of \$8 for a Scholastic. The board authorized Tom Sprandel to pursue this agreement subject to the condition that any agreement be offered to all other organizers.

Jerry Neugarten asked if we had ever formally approved the Constitution and By Laws which are titled "FINAL DRAFT for REVISED Constitution of the Illinois Chess Association". The consensus was that they had gone out to the general membership for vote in the fall of 2007 and that they had been approved. However, they need to be filed with the Secretary of State and that has not yet been done. Mike Zacate is likely to have further details and perhaps also have a final revision. Jerry will pursue this matter.

Next meeting will be on Jan 14th at 7:30 PM. Tom Sprandel will set up a conference call shortly. Carl Dolson has other commitments.
