## Student Guidelines 2009/10

1. Student interest is essential. Sportsmanship, respect, and good behavior are requirements.
2. Children misbehaving will be warned first, if problems continue their parents will be notified; if necessary, the child may be excused from participation.
3. Chess club starts at 3:00 PM - immediately after class.
4. Nametags are used to track attendance; they should be worn during club, and returned when leaving.
5. Talk softly and only when appropriate. Chess is a quiet game. All eyes and ears must be on the coach during instruction.
6. Remain in your seat. No running or goofing around.
7. Treat chess pieces and boards with respect. Stand and organize pieces on the side of the board when captured.
8. After each game the pieces need to be set up on the board.
9. Chess club is over at 4:30 PM. Before leaving, chessboards and pieces must be carefully gathered and stored.
10. When returning chess pieces to their bag:
  1. Place each piece in its proper position on the board (to assure inventory).
  2. Place the bag in center of board.
  3. Pick up no more than 3 pieces at a time and place them in the bag.
11. To assure student safety, positive transfer to the parent or caregiver is required. Adults, please park in the *North Lot*, and come inside for pickup. Pick up *promptly* by 4:30 PM.
